

# Rewind February

The monthly newsletter of  
Navy Children School, Goa

# *From the Principal's Desk*

**Dear Readers,  
Greetings!**

**We are slowly winding this academic year down and preparations for the upcoming examination are in full swing. Students and teachers are burning the midnight oil in completing revisions and corrections so that all are ready for the month of March.**

**We could fit in a few activities to help the students unwind and give them all a much needed breather. Fancy dress for our little ones, card making, winning the CHIASMA rolling trophy, trekking, and hiking along with lectures on health and hygiene & Mind Mosaic kept us occupied.**

**Curriculum planning for the next academic year is being undertaken across all Navy Children Schools. Our teachers are participating in meetings, wherein various aspects of the syllabus are being discussed.**

**Class X and XII teachers continue with their unflinching support and hand holding of the students as they face the Board Examination. We can see our tenthies and twelthies dropping in to school to study and revise with their teachers.**

**We wish you Happy Carnival and a colourful Holi as you celebrate with your family and friends.**

**'Happy Reading' till our next edition.**

**Warm Regards  
Ms Anupama Mehra**
