**FLAG UNFURLED BY MS EMELIA LOBO AND
MS SANGEETA DUTTA ON
REPUBLIC DAY**

From the Principal's Desk

Dear Readers

Greetings from all of us!

As the New Year steps in, it starts sinking in that the academic year is slowly winding down and we are entering the last quarter of the academic session. Though our academic and activity calendar shows no sign of slowing down!

Our Class X & XII students geared up for their Pre Boards and Practical Examination. The rest of the school went into overdrive with sports and extra-curricular activities keeping all on their toes.

Awareness sessions on shipping management, birds of Goa, G 20 India Presidency, Global University fair and a visit to the French Navy ship were some of the highlights of the month.

Emelia Lobo and Sangeeta Dutta unfurled the flag on Republic Day this time, in the presence of all the students and teachers.

Our students continued to participate in various competitions. Class picnics continued amidst much excitement and planning. The inter-house folk dance competition was a much awaited event of the month. Each house put up a mind-blowing performance of the folk dances from Punjab, Rajasthan, Goa and Gujrat. The participants gave it their all.

Local participation included art competition, quizzing, Sports and faculty development programme for teachers.

We wish our Class X & XII the very best for their upcoming Board practical examination and the finals which begin from the last week of Feb 2023. Hoping they prepare well and are focused.

Warm regards
Anupama Mehra
Principal
