

# REWIND

MARCH 2023

THE MONTHLY NEWSLETTER  
OF NAVY CHILDREN SCHOOL, GOA

# From the Principal's Desk

Dear Parents,

As we pen down the last newsletter of the academic year, we are reminded of last year Apr 2022 when we re-opened the school after two years of online schooling.

Children came back to us so changed in behavior, expression, academic levels and anxiety. We have come a long way from there. We cannot say that we are absolutely fine now. But we are getting there. As each day goes by, we move a step ahead.

Wrapping up final exams, giving away report cards and organizing the Art Exhibition were some of the key highlights of the month. The Art team transformed the corners of the school, enthraling everyone with their creativity.

Children came to school, all excited to take their report cards and eager to know which section have they been allotted for the next class.

Teacher trainings continued in offline and online mode, with NCS Goa hosting some trainings for all the NCSs too.

We are gearing up to incorporate an AI and Robotics curriculum for which our IT team underwent an awareness webinar. Stream selection sessions were held by Inspiring minds to apprise our class X students about the various subjects offered in class XI so that are able to make informed choices.

The staff was felicitated on Women's Day with a small get together and cake cutting. Riti Saxena, Neelima Gupta, Leticia Alvares and self were some of our mentor achievers of the month.

Registrations and interactions continued for the new admissions as parents eagerly awaited the admissions of their wards into our esteemed institution.

We bid an emotional farewell to Mrs Sangeeta Dutta, Mrs Preeti Joshi and Mr Sundeep Sodhi as they moved on for personal growth and development/ relocated. We wish them the very best in all their future endeavours.

With the commencement of the new session, we are ready to implement new ideas and a concrete vision so that we aim higher and achieve more.

Together we can.....here's wishing our teachers, parents and students the very best for this academic year !

Best Regards,  
NCS, Goa

# ENGRAVED TREASURES ART EXHIBITION AT MUSEUM OF CHRISTIAN ART, OLD GOA THEME: CONTEMPORARY RESPONSES TO 18TH CENTURY ART

Exhibition by Ms Leticia Alvares, Mentor Achiever

Leticia Alvares' work speaks of slowness, they are reflections of her everyday surroundings which are being interpreted with the forms patterns and gestures which she embody in her work, they speak of multiple human relationships and a autobiographical and cultural reality . Her work examines the relationship between art, emotion and the aesthetic of the two. Woodcut and Charcoal have been her primary choice of medium. She explores the lines, textures, forms and works with a muted palette of primarily black and white and the different shades of gray they produce to create humanistic narratives, of people and the spaces they inhabit.
