The excitement was palpable as everyone was counting down to the upcoming vacation. But not before, living the week up.

We began the week by felicitating our entire support staff through a special assembly to celebrate Labours Day on 01 May. Officials of the CISF conducted the Fire Safety drill on 02 May, thus creating awareness on a variety of firefighting measures and safety. The staff and students participated in an Anti Bullying Assembly on the 04 May. A pledge was taken by the students to completely eradicate bullying from the premises. A mime was presented through the collaborative efforts of the students and teachers followed by the screening of a short film. The secondary students participated in the various club activities on the last working day of the school, that is 06 May. Dance, drama, Art, Heritage, Image management and Soft skills, Eco Club, Digitech and Science Club saw an enthusiastic response from the children. Our Parent Teacher Executive meeting is on the 9 May. We will keep you posted on the points of discussion. Various summer clubs have been announced. Do catch the action if you are in town. Class groups have all the information.

The school children and teachers are off on their summer break but the administration machinery is running. We are right here, just a phone call or an email away.
