THE MONTHLY NEWSLETTER
OF NAVY CHILDREN SCHOOL, GOA

From the Principal's Desk

Dear Parents,

As our children enjoy their summer break, we hope that all of you are traveling, reading voraciously catching up on hobbies and activities and of course, peeping into your textbooks, once in a while.

April and May 2023 , we reopened for the new session . Parent orientations, new admissions and some new staff members-we welcomed all with warmth! The activity calendar kick started from the word go. Earth day, clean ship drives, competitions, waste management plant visits, no bag day and zero shadow day were some of the activities that kept us busy.

Our Board examination results for class X and XII came in. We are happy to share that our students did well and will now move on to various colleges and universities of their choices. We wish them the very best. Class X students are in the process of selecting their streams and subjects from the wide range that the school offers. The admission process is currently in progress for class XI.

The whole school has been steadily getting a facelift and many new projects are underway- new entrance gates, basketball court and a spruced up school football ground.

We are also ready to launch a few educational initiatives that the children can look forward to-an AI and Robotics curriculum, publishing a book, new additions to the library and a film curriculum.

We bid an emotional farewell to our three ,much loved staff members-Bakul Bhatnagar, Riti Saxena and Catherine Lobo . Here's wishing all of them a great life ahead.

**The school office is open throughout the vacation. We will be very happy to assist you for any queries that you may have over a mail or whatsapp.
Enjoy your holidays !!**

**Best Regards,
NCS, Goa**
