Events and Achievements

## WHAT'S BUZZING AT NCS GOA THIS WEEK?

### The week that was .....01 July to 08 July 2023

More rain but plenty to gain on the school activities front !

Our new staff members were inducted through a three day workshop conducted by the Faculty Development Center, Kochi. They were welcomed into the fold of the Navy Education Society along with all the new members across NCSs.

Many of our students continue to print with Bri Books and get published.

Our U -14 Girls and Boys team, both, qualified for the District level Badminton tournament after winning at the Taluka level. They have been training hard and will continue to do so in view of the upcoming events.

The first round of assessments commenced for the Secondary and Senior secondary students. Class XI will follow by end July 2023.

Our students joined hands with the Rotary Club of Vasco Port town to commence tree plantation in the premises. We are also participating in the kitchen garden competition organized by them.

Entrance test for the recruitment of new teaching staff was also held in the week. Here's hoping we get excellent helping hands on our team. Our felicitation ceremony is on 19 Jul 2023 wherein we felicitate our toppers and special awardees for their academic excellence.

Have a great week ahead !
