

REWIND

JULY 2023

CHAIRMAN'S FAREWELL

**THE MONTHLY NEWSLETTER
OF NAVY CHILDREN SCHOOL, GOA**

From the Principal's Desk

**Dear Parents,
Greetings !**

With the rain Gods being at their showering best, the monsoons were at their peak in the month of July 2023. We even had to declare rainy days and ask our children to stay home due to certain days of heavy downpour.

We said good bye to our Chairman, Rear Admiral Vikram Menon, who is now on transfer to New Delhi. Various competitions and games have started selections at the Inter-school, taluka, district and state level. Students are participating in badminton, swimming, table tennis, football and chess and making it to the next level.

Our new teachers were formally inducted into the NCS family via a faculty development induction program.

Rotary Club Vasco mid- town joined us and our students to plant more trees.

A gala felicitation ceremony was held for our board examination toppers of the 2022-23 batch and the teacher long service awards.

A first responder workshop was also conducted for the teachers in collaboration with Rotary Club. The School has once again started with activities for teacher & students. No one seems to have a minute to waste. Our school participated in putting together the climate clock, along with other schools at a mega event at Panjim. Parent assemblies, food fests and bringing home the U 14 girls state Badminton Championship were other major highlights of the month. Here's to an eventful July 2023 that just flew by. Let's welcome August with the same fervour and excitement!

**Warm Regards
Ms Anupama Mehra**
