

REWIND

AUGUST 2023

**THE MONTHLY NEWSLETTER
OF NAVY CHILDREN SCHOOL, GOA**

From the Principal's Desk

Dear Parents,

Greetings !

The monsoons have slowly given rise to glorious sunny days and we at school are literally 'making hay while the sun shines'.

The month of August saw numerous functions that celebrated student achievements and a variety of participation.

Investiture ceremony & Independence day were the two major highlights of the month. The student council & the choir dazzled on stage for the Investiture ceremony. Mrs Libereta Alvares hoisted the National flag on Independence Day. Our Director, Lt Cdr Rekha Sree K attended the function along with students & teachers.

Sports was an important highlight of the month wherein our children participated in football & swimming competitions. Teacher adolescence training, special assemblies for parents, debates, a talk on anti microbial resistance, faculty development & Nukkad Natak presentation at the Municipality were the other significant highlights.

Students of NCS, Goa are authoring an anthology of short stories. A rigorous writing mentorship program was held for our young authors by the representatives of the Quills club. STEAM week was observed this month. It was our maiden attempt to try interdisciplinary collaboration amidst subjects to give the students a hands on experience in integration of learning, and thus an opportunity to explore subjects like Science, Technology, IT & Art.

Here's a wrap of the happenings of the month. Happy reading till our next newsletter.

Warm Regards
Ms Anupama Mehra
