## WHAT'S BUZZING AT NCS GOA THIS WEEK?

The week that was .....11 September to 16 September 2023

Examination fever gripped the students and teachers, as the whole school buried their noses in the half yearly assessments for the week. Few activities did keep some of our students busy. The teacher team selected to implement the assessment of quality implementation in school, continued to train with the other members of all NCSs.

Our little ones had all the enthusiasm to participate in the state level, mini Yoga competition bringing laurels to the school.

We participated in the Goa Shipyard Competition series in numerous categories and emerged victorious.

Interschool football tournaments were held at respective venues in the state and our young football teams of U-19 boys and girls participated. The boys came third in the overall tournaments. Our chess wonder boys Aniket Ekka and Daksh Redkar won the All Goa Inter School Chess competitions in their individual categories. We also marked our participation in the State Level Swimming Competition.

Our children could balance their exams and co-curricular activities with aplomb and we salute their spirit.

Here's to a fun filled week ahead.
