## WHAT'S BUZZING AT NCS GOA THIS WEEK?

### The week that was .....02 October to 07 October 2023

Remembering Mahatma Gandhi at the beginning of the week set the tone of an action packed week.

Apart from the regular study schedule, students of the senior school witnessed demonstrations of the self-defense techniques of Krav Maga. The aim was to introduce the art to students which will be consequently added as a mandatory component of the school curriculum from the next academic session. It was appreciated by the students and teachers alike.

Our student Palak Singh won the Miss Teen Goa title at a glittering function at Marriot, Jaipur bringing home the crown. We felicitated her once again in school amidst her peers and fellow students.

Our CBSE Clusters teams of football and Athletics are training with all the zeal and enthusiasm for the upcoming competitions in the last week of October 2023.

The week culminated on 07 Oct, with the Parent teacher Meeting after the Half-yearly examination. Broadway Book store put up their stalls and we saw a large footfall of parents and children buying books. A paper coiling workshop was conducted for volunteer Art Club students. Children weaved magic out of newspapers, turning them into objects of regular use like bowls, coasters and storage boxes. A team of students from the senior school also participated in the Gram Bal Panchayat at the Chicalim Panchayat office. They strongly put across their views on waste management, cleanliness around the school, making of a footpath on Airport road, especially in front of the school and illegal parking of private taxi operators near our gates. Our young voices were heard patiently by the Panchayat officials and made a note of it. We will continue to follow up and continue to make a noise till the measures are put into action.

Happy reading till our next newspaper edition !
