**THE MONTHLY NEWSLETTER
OF NAVY CHILDREN SCHOOL, GOA**

From the Principal's Desk

Dear Readers

Greetings from all of us!

As we rang in the new year, the first month brought with it a flurry of activities. A perfect balance of academics, competitions, participation opportunities and the class XII Board Examination Practicals.

Our students and teachers juggled them all with aplomb. We launched our maiden writing project, an anthology of short stories- *Brimming with Tales : Goa in my veins* amidst much fanfare. We scorched Chiasma- the Biotechnology fest, hosted by Dhempe College, winning in all categories. Our students attended a workshop at V M Salgaoncar Law College on Consumer Rights.

Following closely was participation in making it to the top 15 projects at the state level in the Inspire Manak Awards , organizing a Heritage Walk at Old Goa followed by a photography Exhibition-Shutter Stories, and various sporting events.

Our mentor teachers participated in the Maths teachers Conference, Porvorim, a three day seminar on Early Intervention and continued their online trainings.

Kudos to some of our talented students who participated in various competitions on their own and won across categories - singing, dancing, squash and badminton.

Preparations are currently on in full swing for our 30th Annual Sports Day Celebrations.

Here's wishing all of you 'Happy Reading' till our next edition.

Warm Regards

Ms Anupama Mehra
