Dr. Chintan Vaishnav  
(Mission Director, Atal Innovation Mission - NITI Aayog)

**NCS GOA SELECTED AS  
ATL SCHOOL OF THE MONTH - MARCH 2024**

# REWIND

# *From the Principal's Desk*

**Dear Readers,  
Greetings!**

**Closing the academic year brings with it memories and nostalgia. As the students prepared for the final examinations and assessments, teachers got busy in correction and preparation of the results. We formally closed the session on 27 March 2024 by giving away the report cards. The mood was festive as a book and Art exhibition was organised for the students and children.**

**The month was full of studies and preparation as the children put in their best efforts towards academics.**

**We are very excited to share that we were declared the Atal Tinkering School for the month of March 2024 by the NITI Ayog, Ministry of Education. We applaud our school management and Tr Dattaraj Gawas for their continuous support and input. We received a very special mail from the ministry announcing the award.**

**We organised various workshops to keep everyone busy after the examination cycle. We received excellent participation from the children.**

**Here's wishing you happy reading till our next edition!**
