KALAKRITI - 2022 INDIAN ART AND CRAFT EXHIBITION

Dear Students and Parents,

To encourage and give impetus to experiential learning and art integrated education, Navy Children School, Goa is pleased to inform you that we are organizing our first Art and Handicraft exhibition '**KALAKRITI – 2022**' on Saturday, 29th October 2022. Students of classes VI to IX will get an opportunity to learn various forms of art, painting and traditional crafts and will exhibit their artistic endeavors through this exhibition. The aim of the exhibition is to provide a platform for students to showcase their individual talent, passion and creative innovation. We will also include creative corners by our primary students and teacher mentors.

The table below enumerates the different types of arts forms, which will be taught to students in various expert led workshops:
