SAVE SOIL MOVEMENT

Dear Parents,

1. Sahil Jha is a 17 year old student who started cycling at the age of 16 from Kolkata, West Bengal on 1st May 2022, immediately after writing his X Board Examination to spread awareness about the '**SAVE SOIL MOVEMENT**'. Apart from cycling he has spoken in more than 130 colleges and schools and participated in many events conducted with the Police force, Rotary & Lion clubs, Municipal Corporations and Hospitals.
2. So far this young cyclist has completed 05 months, cycling through eight states.
3. It is our pleasure to welcome him in school on Wednesday, 28 September 2022. He will be speaking to the staff and students.
4. The student council members and interested students living nearby (class IX & X) may stay back after the half yearly exam of the day, for a brief interaction in the school activity hall from 1145 hrs onwards. All teachers will be attending the interaction.

Best regards,
NCS, Goa
