## AUGUST 2024

## REWIND

# *From the Principal's Desk*

**Dear Readers,  
Greetings!**

**August was a fun filled and action packed month. Our major calendar event - The Investiture Ceremony was held wherein the student council 2024-25 was sworn in.**

**Inter school Litfest was attempted by us for the first time with eight schools participating in the event.**

**Celebrations and activities were held for various classes through CCA. Rakhi making, Janmashthami, choral recitation, handwriting, poetry and collage making kept the CCA calendar buzzing. Faculty Development Programmes continued for teaching staff.**

**We have announced various Olympiads and spelling bee competitions so that our students compete academically at the state and National level.**

**For the first time, our school participated in the ASSET Examination. This is a skill based assessment that evaluates conceptual understanding and determines student learning gaps so that the school can take action to revisit certain topics. This will now become a regular annual feature in the school calendar.**

**Here's wishing you happy reading till our next edition!**
