NCS(G)/Circular/38/2024-25/80

23.12.2024

**Dear Parents of Class X,**

1. The school has received the dates from CBSE for the upload of Internal Marks, which will be added to the class X Board Examination final score. This exercise has to be completed before 20 Jan 2025. This score will also appear in the Board Examination Marksheet. PT3 is a part of this final score and the school will conduct this assessment according to the below schedule followed by Pre Board II. The teachers have to correct PT3 answer sheets immediately and collate an average of all the periodic tests, before uploading the marks. The portion for the PT3 has already been promulgated and has not been assessed earlier. Hence, the students will get a chance to prepare well. This will be followed by the Pre Board II assessment which will include the entire class X portion.

2. We wish our students the very best. Keep up the tempo for your studies and be regular.

3.
