

REWIND

October 2024

The monthly newsletter of
Navy Children School, Goa

From the Principal's Desk

**Dear Readers,
Greetings!**

The month of October brought with it festivities galore - Dussehra, Navratri and Durga Puja were showcased during various activities and assemblies. We closed Term I with the parent teacher meeting and discussion of student results. The school took an academic break during this month.

Model United Nations Conference was conducted in the school library inviting participation from the senior school students. Our little ones from the primary participated in vibrant activities as a part of the CCA. Mock parliament, farm trips, sports, photography, Art were the other areas where the school made a significant splash.

Staff training and workshops continued for students and teachers. A special interaction was conducted with one of the crew members of the all women Indian Navy circumnavigation team, Lt Cdr Payal Gupta Rawat.

Our vibrant photo pages paint a vivid picture of all the activities. Here's wishing all of you 'Happy Reading' till our next edition.

**Warm Regards
Ms Anupama Mehra**
