

## ★ The week that was... 05 Aug to 09 Aug 2024 ★

Last week kept us busy with workshops and sports along with our studies. Cyber security awareness was organised at Rajhans for Std IX to XII where we learnt that safety is indeed in our own hands. A team of students were invited to Sharda Mandir for the INTACH Filmit short film making workshop.

Our Athletics U-10 and U-12 years category continues to excel on the track. 08 Students have been selected for the Nationals.

Our students of Std I and II coloured and made the National Flag during their CCA activity period.

We are proud to share that std III to X successfully completed the ASSET Examination for all subjects. We will now receive a comprehensive report on our performance in the tests. This way we can relearn the concepts if needed.

Here's wishing everyone happy reading till our next edition!
