Examination fever grips NCS Goa, wherein students from std III to XII are appearing for the half yearly examination.

Our teams of Chess, Football and Basketball left for CBSE Clusters, amidst much cheering and fanfare. Some students shone through the matches held at different locations in Maharashtra & Goa Region.

Our Science laboratories are getting a complete makeover and will shortly have a new look.

Our little ones of Std I & II had a clothes folding activity wherein they learnt how to fold their own clothes - a life skill that all of us should know well.

Here's wishing everyone happy reading till our next edition!
